

LET'S TRADE GLOBALLY

ABOUT US

Halsons Enterprise, established in 2002 by Lalji Halai, stands as a beacon of reliability and expertise in the export-import consultancy realm. With nearly two decades of experience, we specialize in facilitating trade in ceramic tiles, dimensional stone, and a diverse range of IT & CCTV. Our commitment to transparency and client satisfaction is reflected in our neutral platform, where buyers and sellers interact seamlessly, ensuring customized solutions at competitive market prices.

Predominantly serving markets in the Middle East, Southeast Asia, SAARC, West and East Africa, and the European Union, Halsons Enterprise continues to elevate the standards of the construction stone industry and IT & CCTV solutions, providing unwavering support and expertise to our global clientele. We possess the capacity to organize products beyond the aforementioned categories according to our customers' precise requirements, all while adhering strictly to realistic market prices.
